

# “Bee”ing Kind, Safe and Responsible in the Hallways

We use our hallways every day to get where we need to go.

It is important to

**BE KIND**

**BE SAFE**

**BE RESPONSIBLE**

In the hallways.

# BE KIND:

- Keep your hands at your sides.
- Be respectful of work displayed in the hallway.
- Use kind words and actions.

# BE SAFE:

- Eyes are forward.
- Hands at your sides.
- Walking feet.
- Walk on the right hand side of the hallway.
- Stay in your own personal space.

# BE RESPONSIBLE:

- **Voices are off and mouths are quiet in the hallways!**
  - **Voice Volume = 0.**
- **Follow the directions that any adult gives you.**
- **Report to an adult when someone is being unsafe.**
- **Go directly to your destination.**

# WHY IS IT IMPORTANT TO BE KIND, BE SAFE AND BE RESPONSIBLE IN THE HALLWAY?

- We can get to where we need to go and be on time.
- We won't interrupt students in other classrooms.
- We will be able to hear directions when they are given.
- We can all travel safely through our school.
